FOLLOW UP INSPECTIONS

It is the policy of the Residential Child Care Licensing (RCCL) Unit to conduct unannounced follow-up surveys at licensed facilities that receive a Category III E-level violation or higher during a licensing inspection or complaint investigation. All follow-up surveys will include a determination, through on-site and/or offsite documented inspections, as to whether or not deficiencies have been corrected within the time frame specified in the Plan of Correction.

The RCCL Unit Director is responsible for monitoring requirements for updating for this policy. The RCCL Training and Policy Specialist will update this policy according to state requirements.
