SUBJECT: Selection of Design, Engineering and Survey Professionals

POLICY

The Georgia State Financing and Investment Commission (GSFIC) contributes to the efficiency and effectiveness of goods and service acquisition processes and functions; promote fiscal responsibility and stewardship of State resources; and, help improve the internal and external customer satisfaction for GSFIC. The Construction Division, under the direction GSFIC, provides construction management services on capital projects for the various state agencies and entities. The division's management of projects involves receiving bids for the selection of a contractor to construct the facility, monitoring the progress of the projects, and providing the accounting services associated with disbursements of payments.

A. Authority

The Official Code of Georgia Annotated, Chapter 50-22-1 thru 50-22-9, is the legal basis for the selection of professional services by the State.
O.C.G.A. 50-22-1

B. References

The State Construction Manual (SCM) serves as a guide to assist state agencies, design professionals, special consultants, and construction professionals with the processes and procedures for completing capital projects for the State of Georgia.

C. Applicability

POL1480 applies to the selection of all Design, Engineering, and Survey Professionals by the Georgia State Financing and Investment Commission (GSFI).

D. Definitions
